THE RIPARIAN 1955

Published By

THE STUDENTS OF
GREENSVILLE COUNTY HIGH SCHOOL
Emporia, Virginia

Foreword

As we come to the end of our school year we think back and recall the people who have helped to light our way . . . our principal, who lit the candles to start us on the way to learning, our teachers and parents who helped keep the flames of our ambition high and our classmates who offered their friendship to feed the flame. Now the flame is low and the candle has almost melted away but like an everlasting candle the Senior Class of '55 will go on and on, for we will continue burning our candles . . . casting a glow around our lives so that there will be few shadows of doubt . . . leaving our glow behind to light the way for the ones who follow in our footsteps.

To you, students of G. C. H. S. who will come after us, we present this 1955 Riparian in hopes that by showing you a glimpse of the shining year of our high school life, this book in turn will help to make yours even that much brighter.

Dedication

TO OUR PARENTS...

OUR GUIDING LIGHT

Dear Parents,

No record of our school years would be complete without an expression of our feelings toward you who have been the guiding power behind the progress which we have made. Each success has been, by you, inspired; each accomplishment has been, by you, endowed.

Your efforts in the community, your interests in our school, your personal example in living the good life will always serve as a guide to our future.

It is then, with deepest appreciation to you, that we lovingly dedicate this, the 1955 Riparian to you, our parents.

The Class of '55

Class History Of 1955

As we, the Seniors of 1955, approach the long awaited day of graduation, we are happy and very grateful to our many friends and advisers who have helped us in whatever accomplishments we have made. We look with regret, however, at the many unfulfilled opportunities.

The Class of 1955 is a proud one. Were I an artist I would paint for you in flaming color the history, or, being a poet, I would paint a brilliant word picture of our happy memories. Being neither, I should like to recall a few of our most vivid pictures. The first being a bewildered group of Eighth Graders of forty-one boys and forty-four girls, led by their officers; Wesley Newsome, Arthur Newsome, Martha Moore, Bunny Bunn and Jimmy Everett. Their lowly existence was brightened by the Garden Party and picnic.

The next picture appears larger and brighter as we see a Freshman class of eighty-seven having a carefree time at their Christmas Dance and annual picnic. Their leaders, Billy Blalock, president; Alfred Faison, vice president; Libby Robinson, secretary; Gloria Seegers, treasurer; Jimmy Everett, reporter; led them through these happy days.

Growing in stature while diminishing in size, the Sophomores take our attention with "April Showers" on the dance floor of the Armory. Officers elected to help the sponsors in directing this jolly group were: president, Billy Blalock; vice president, Edward Lashley; secretary, Bunny Bunn; treasurer, Wesley Newsome.

Our attention now focuses on the brand-new upperclassmen, framed with responsibility and awe. Enthusiasm and excitement shine upon the faces of the fifty-eight boys and girls as they scurry around making money for their Junior-Senior banquet and prom. We see salesmen and saleswomen begging everyone to buy muddle and candy. No? How about a bracelet, then? Finally the last patron is solicited, and the class mothers, students and sponsors sigh with relief. Now the "Mardi Gras" is an assured, successful Prom. Leading this group, we find familiar and new faces - Georgia Rose Allen, president; Don Tillar, vice president; Janice Specter, secretary; Wesley Newsome, treasurer; Chris Harrell, reporter. The Junior-Senior was the bright spot and will long be remembered by all. Sharing this spot light was the picnic given the Juniors by the graduates of '54.

The last picture in review, incomplete to date, shows the goal in sight as twenty-four boys and twenty-four girls begin their last work and play together as Seniors. Guided by Joyce Edwards, president; Edward Lashley, vice president; Libby Robinson, secretary; Chris Harrell, treasurer; Virginia Kasper, reporter; they view with interest their project of Christmas card selling, their plans for the forthcoming Senior play "Cupid in Pigtails," and their anticipation of another Junior-Senior, as honored guests.

As we review these spotlighted pictures, we regret that, of the eighty-five Eighth Graders, only forty-eight are beginning their Senior year. To the underclassmen we say "Good luck and smooth sailing; it's not as rough as you may think." To one another we vow to take with us the many lessons we have learned and to take our place with pride in our great democracy.

-Don Tillar

Class Poem

CLASS OF FIFTY-FIVE

Way back in the later "thirties,"
Before the days of World War Two
There were born the boys and "flirties"
Whom in future years were due
To be the Class of Fifty-Five.

Through the months and years they
trampled
Down the halls of Greenville High
Loads and heaps of learning
sampled
Trudged they long with many a sigh
To be the Class of Fifty-Five.

Filled with dreams of hope and
yearning
Boys and girls so dutifully bright
Went they forward, eager, burning
To the lamp of wisdom, light
To be the Class of Fifty-Five.

From the storied buildings on the
banks
Of Meherrin stream and shore
To the new High School with thanks
Seeking knowledge more and more
Went the Class of Fifty-Five.

Twenty-four girls and twenty-four
boys
Went they onward, ready to face,
A world with all its trials, joys
Eager to fight and run the race
Went the Class of Fifty-Five!

And so they wrestled Science and
Math
History, Language, and a yen,
To bear the haughty teachers' wrath
And cage the lion in his den,
Fearless, the Class of Fifty-Five.

Soon now, the end in sight in June,
Each Senior's heart fills up with hope
'Tis now to study and sweat in tune
To top the hill and down the slope,
To graduate in Fifty-Five.

Industrial Arts Club

The Industrial Arts Club is an organization for those who are interested in a good hobby. There are no definite requirements for membership, although previous shop experience proves to be helpful in club work.

The club builds small articles for sale. Money obtained from club projects is used for improving the shop and for purchasing additional shop equipment.

The Safety Patrol, organized for the welfare of all school students, seeks to promote safety on the busses, playgrounds, and streets. By following the advice of the patrolmen, students not only insure their own safety, but also set a good example for safety among the younger students. To meet its aim, however, the patrol must have the co-operation of each student in high school.

The F. F. A., the Future Farmers of America, is a nation organization composed of 7376 members, with the Greenville F. F. A. having fifty members.

The primary aim of this organization is to develop agricultural leadership, co-operation, and citizenship and to strengthen the confidence of farm boys and young men in themselves and their work.

All boys taking Vocational Agriculture are eligible for membership in the F. F. A. organization. There are four degrees of membership, which are awarded according to the accomplishments of each member. The program of work, in which all members participate, is set up annually by the chapter. This program is based on the needs of the community and the individuals.

The F. F. A. and F. H. A. own and operate a well organized camp at Mogart's Beach, which combines recreational and health practices with leadership training activities that reach each chapter in the state. A large number of our boys attend this camp each year.

Initiation Services

Future Homemakers Of America

The Future Homemakers of America Club, with its goal to learn to live better today in order that families may be better tomorrow has had a very active year with fifty interested members under the leadership of President Shirley Ferguson.

Our Summer was a very eventful one; Shirley Ferguson attended the State Convention at Farmville College and brought many good ideas back to our club. There has been a continued buzz all year about the wonderful week at F.H.A. Camp at Mogart's Beach where Carolyn Pearson walked off with a blue ribbon in the fashion show and the softball championship taken by our girls. A trip to the "Common Glory" was also enjoyed during that week.

President - Shirley Ferguson; Vice President - Barbara Slate; Secretary - Wendell Yates; Treasurer - Mary Alma Taylor; Reporters - Dora Tudor, Peggy Jean Moore; Song Leaders - Nancy Jo Hill, Nancy Wendell; Degree Chairman - Christine Woodruff; Scrapbook Editors - Carolyn Pearson, Betty Jane Allen; Sweetheart - Melvin Ferguson; Sponsor - Mrs. Bill Tulloh.

At the end of the summer the Executive Staff met to make plans for the school year. This got our club off to a good start resulting in some of the following highlights; Initiation of new members, a very effective formal initiation service; attend planning meeting for the Virginia Dare Federation at Lawrenceville; observance of National F.H.A. Week; we attended church together, attended Federation Meeting at Dinwiddie where Mary Alma Taylor was elected Treasurer of the Federation; an exciting Christmas Party at the Country Club; Carolyn Pearson represented our club at Winsor at a F.H.A. Camp Committee meeting; Mother-Daughter-Father-Son Banquet with F.F.A. and our picnic given by our club mothers; for our yearly project we gave a red rose bush, our national flower, to our school.

Our high school band has been very active this year under the direction of Harold R. Landis.

The band has participated at all football games and has given a short concert before the beauty pageant. It is planning to present a Christmas concert and a spring concert.

Numerous parades will feature the band. Some of these are Emporia Christmas Parade and Petersburg Christmas Parade. Already it has participated in the South Hill Home Coming Parade.

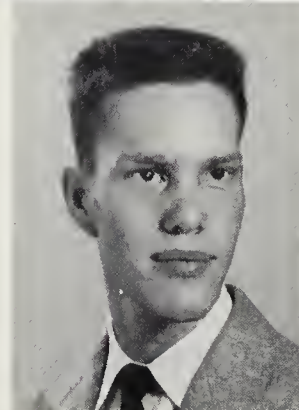

Membership is steadily increasing as new students enter high school, and at present there are thirty-four members including majorettes and drum majorette.

Glee Club

The Glee Club, another musical organization of the school, is directed by Mr. Harold Landis. Through the Glee Club many pupils have begun to appreciate the higher fields of music and have received valuable voice training. The Glee Club is composed of forty-five boys and girls who presented a most enjoyable assembly program at Christmas and also for the P.T.A.

Another attraction of the Glee Club is the Girls' Quartet which is made up of June Harding, Ann Owen, Pat Ferguson, and Daphine Pollard. These girls have performed at several local programs and have won much praise for their fine job. The Glee Club is a very pleasant and enjoyable organization and the members find much enjoyment in it.

Senior Tri-Hi-Y

"To create, maintain, and extend throughout the home, school and community, high standards of Christian character." These words are the purpose of the six Hi-Y and Tri-Hi-Y clubs, the Christian organizations in our school.

The platform under which they operate is "Clean Speech, Clean Sportsmanship, Clean Scholarship, and Clean Living."

Blue Ridge Delegates

The Hi-Y's and Tri-Hi-Y's try to uphold their platform every day of the year, and, like every well-functioning organization, they have special events and activities often throughout the year. To foster a better relationship between the schools in the district, the clubs entertain the teams after basketball and football games, and entertain the Court and visitors after the Homecoming Game. Before Christmas, baskets are fixed for needy families. The week before Easter, pre-Easter services are conducted under the sponsorship of the Tri-Hi-Y and Hi-Y Clubs, and a community sunrise service held each Easter morning. Both as a community service and a money-making project, an annual Hallowe'en party is held. This is the big financial project of the year,

and in turn provides a place for the young people of the community to go on Hallowe'en night. Some of the special school projects take the form of asking the blessing each day and fixing special bulletin boards about honesty during the week of exams. Recently, the Tri-Hi-Y and Hi-Y Clubs of Emporia organized an Alumni Club, the first to be so organized in the state. Through these varied activities the clubs seek to serve their school, church, and community.

The clubs send delegates to a district convention, Model General Assembly, and Blue Ridge Conference. Each year the clubs have had a district officer and an officer in Model General Assembly.

ATHLETICS

Coaches

The Emporis High School Eagles started their football season off with a bang, ending up with an excellent and successful season and winning top honors.

Under the direction of the new coach, Bob Miller, hard work and patience paid off for the Eagles. Coach Miller was born in 1930 in Portage, Pennsylvania, where he attended high school. After graduating from high school, he attended Emory and Henry College where he made "Little All-American" in 1950 and '51. After serving a term of two years in the Army, he became coach of the Emporia High School Eagles.

The Eagles were district champions for Group II, District III. Then they went on to win the regional championship, downing Appomattox 34-0. The team, as a whole, played outstanding ball and deserved a lot of praise and credit.

The Basketball Squads, boys and girls, opened this season with a win over Blackstone. The girls, keeping pace, have lost only two games.

Mrs. D. T. Rogers, Jr., coach of the Emporia Girls, is a native of Emporia. She has coached the girls for two years and they have been one of the top teams in the District III, Group II. Mrs. Rogers attended W.C. of University of North Carolina.

The Junior teams, the Junior Basketball Varsity and Midget football eleven played the preliminary events and pointed out prospective stars of the future.
